

EDUCATION

- Bachelor of Science in Computer Science and Engineering

International University of Business Agriculture and Technology
Expected Graduation: January 2027
Current CGPA: 3.70

- Higher Secondary Certificate

Milestone College
Dhaka,Bangladesh
GPA: 5.00

- Secondary School Certificate

Civil Aviation School
Dhaka,Bangladesh
GPA: 5.00

SKILL

Ethical Hacking
Programming Language: C#,C++,Python,Php
Tools: Git, VS Code, Visual Studio, Codeblocks, My sql
Soft Skills: Teamwork, Time Management, Leadership Communication

Language

English

Objective

Dedicated and enthusiastic Computer Science undergraduate skilled in HTML, CSS, C, C++, and SQL. Passionate about developing user-friendly and efficient applications with secure back-end systems. Currently exploring cybersecurity and ethical hacking to strengthen technical knowledge. Seeking an opportunity to contribute to a dynamic software development team while continuing to learn and grow as a developer.

Experience

- Projects:
- Hotel Management System (C++)
- Developed a console-based hotel management application using C++ to handle room booking, customer records, and billing. Focused on improving user interaction and logical flow in the system.

- Pet Adoption and Care Management System (Database Project)
- Designed and implemented a database-driven application to manage pet adoption records, owner details, and care schedules. Used SQL for data storage, retrieval, and relationship handling between entities.

- Cybersecurity Practice & Ethical Hacking Learning (Ongoing)
- Currently exploring tools and concepts related to cybersecurity, ethical hacking, and network safety to understand how to protect systems from vulnerabilities.

Interest

- Building web and machine learning projects
- Exploring UX design and emerging technologies
